

You're invited to join a caregiver support group in your community and talk with others who are experiencing the challenges of Alzheimer's disease firsthand. All groups offer support, education, problem solving and guest speakers.

Specialized groups have a descriptive title. All groups meet monthly and are confidential, free, and open to the public. Please call the chapter office nearest you at 1.800.272.3900 to confirm meeting date and location.

If you need assistance finding someone to stay with your relative while you attend a support group meeting, call 1.800.272.3900 for a directory of Respite and Home Care providers in your area.

Cancellation policy: If adult education classes have been canceled due to dangerous weather conditions, the support group will be canceled.
