

Join us for our annual
research presentation

advances in alzheimer research

This program brings you the latest news from the research front and highlights the progress scientists are making toward finding better treatments, and eventually a cure, for Alzheimer's. A question and answer session will be held at the conclusion of the presentation.

Presenter:

Stephen Aronson, MD

Adjunct Clinical Assistant Professor, Univ of Michigan Medical School
Medical Director, Inpatient Psychiatry, St Joseph Mercy Hospital, Ann Arbor
Will present information on the **Concert study** of the drug Dimebon

Location:

**Legacy Assisted Living & Legends
Alzheimer's Center**
5025 Ann Arbor Rd.
Jackson, MI 49201

Date and Time:

Monday, November 16, 2009
Program: 5:30 - 7:00 pm
Refreshments/Registration: 5:00 pm

All programs are free, but a donation of \$10 per person (or family) per session is suggested. Advance registration is required. Please call 1-800-272-3900 to register or visit www.alz.org to register online.
