

Join us for our annual
research presentation

advances in alzheimer research

This program brings you the latest news from the research front and highlights the progress scientists are making toward finding better treatments, and eventually a cure, for Alzheimer's. A question and answer session will be held at the conclusion of the presentation.

Presenter:

Bruno Giordani, PhD

Director, Clinical Core, Michigan Alzheimer's Disease Research Center
University of Michigan Health System

Location:

Muskegon Community College
Stevenson Center Lecture Hall
221 S. Quarterline Road
Muskegon, MI 49442

Date /Time:

Thursday, November 12, 2009
Program: 7:00 - 9:00 pm
Refreshments/Registration: 6:30 pm
The refreshments are graciously provided by
DaySpring Services, of 572 Lake Forest Ln, Muskegon

All programs are free, but a donation of \$10 per person (or family) per session is suggested. Advance registration is required. Please call 1-800-272-3900 to register or visit www.alz.org to register online.

alzheimer's  association™

the compassion to care. the leadership to conquer
